### **New Jersey Prescription Blanks (NJPB)** **FINAL EXTENSION**

The Division of Consumer Affairs (Division) is granting a **final** extension through November 2, 2014 for prescribers to issue prescriptions on the old prescription blanks (blue on the front). Effective **November 3, 2014**, all prescriptions must be issued only on the new prescription blanks (green on the front).

This additional 45 days is to assist those who are experiencing delays in obtaining the new prescription blanks. If you have already received your new prescription blanks, you should use them immediately. The new prescription blanks are being accepted by pharmacies.

If you have not already placed your orders for new prescription blanks, do so immediately. Do not delay; order your new prescription blanks today. A list of approved printer vendors and information about the new prescription blanks are available on the Division's website at [www.njconsumeraffairs.gov/njpb](http://www.njconsumeraffairs.gov/njpb).
