

Established to Aid, Improve, and Advance
your credentialing process and needs

AIA Credentiaing & Consulting Services

was established to aid private physician practices in perfecting and or establishing a credentialing system that will allow your office to run more smoothly.

We encourage you to ask us not only how we can **serve you better**, but how we can **serve your best**.

Ask us about our...

- ❖ Managed Care Services
- ❖ Physician Services
- ❖ Central Repository Data Collection Services
- ❖ Tracking of expired credentials and reapplication cycles

Because We Value MSNJ; Members Will Receive a 10% Discount
